

Note: The installation of this SES exhaust does require mechanical skills. Removal of the stock parts does require loosening and removing several parts and screws that may be difficult. In addition, removing the stock exhaust will also have to remove the air resonator box, battery and tray when beginning this installation. **Injen strongly recommends that this system be installed by a professional mechanic.**

Part number SES1204DP
Part number SES1205DP
The SES1205DP comes with catalytic converter

2008-13 Subaru Impreza WRX/Sti 2.5L Turbo
